Dear Dr. Ploughman,

Your research proposal *HREB Reference #: 2024.015 "Investigating motor imagery-induced neural activation and corticospinal excitability in MS via a combination of neurophysiological tools"* was reviewed by the Research Proposals Approval Committee (RPAC) of NL Health Services and we are pleased to inform you that the proposal has been granted full approval.

The approval of this project is subject to the following conditions:

- The project is conducted as outlined in the HREB approved protocol;
- Adequate funding is secured to support the project;
- In the case of Health Records, efforts will be made to accommodate requests based upon available resources. If you require access to records that cannot be accommodated, then additional fees may be levied to cover the cost;
- A progress report being provided upon request.

If you have any questions or comments, please contact Renee George, Department Program Coordinator, at 752-4636 or by email at [renee.george@easternhealth.ca](mailto:renee.george@easternhealth.ca).

Sincerely,

---

Liam Kelly  
Regional Director, Research and Innovation  
Co-Chair, RPAC
